

# **INTERNAL SQUASH LEAGUE RULES**

LEAGUE POINTS ARE AWARDED AS FOLLOWS:

3 – 0 game score – awards 6 points to the winner and 1 point to the loser.

3-1 game score – awards 5 points to the winner and 2 points to the loser.

3-2 game score – awards 4 points to the winner and 3 points to the loser.

Where players are unable to complete a match please add 1 point to the score in matches e.g. 2-2 would score 3 points to each player.

It is the responsibility of all players to contact the others players in their division and to play all their games.

If you offer your opponent courts on two separate occasions and they are refused, without being offered two suitable alternatives, score as 5 points and no points.

If your opponent fails to turn up and a court has been booked, score as 5 points and no points.

If a player in your division is injured or drops out during the month, score as 5 points and no points. (All existing scores should be changed to this score).

In the event that neither player can agree a suitable time to play the match or if there is a dispute over the match, the league organiser will adjudicate based on all available information. That decision will be final.

Any player who does not play at least 2 games for 2 consecutive months, will be removed from the leagues and will have to contact the league organiser if they wish to re-join.

It is the responsibility of the winner of a match to write the score up on the league table or post the result on-line.

## **NEW OR EXISTING PLAYERS WISHING TO REJOIN THE LEAGUE:**

New players may join the leagues at the start of any month. However they may need to seek an assessment from the league organiser or challenge an existing player in any division, if it is not clear what standard they are.

Existing players wishing to re-join the leagues after a break, will be seeded based approximately on their past ranking in the leagues, or may challenge another player, or may seek a fresh assessment from the squash league organiser. They will only be allowed to re-join at the start of the coming league.

Both categories **MUST** contact the league organiser at least 7 days prior to the start of the new league.
